CHOIR AND SCHOOL The School Song: "Forty Years On" Farmer

Forty years on, when afar and asunder
Parted are those who are singing today,
When you look back and forgetfully wonder
What you were like in your work and your play;
Then it may be, there will often come o'er you,
Glimpses of notes like the catch of a song,
Visions of boyhood shall float them before you,
Echoes of dreamland shall bear them along.

Follow up! Follow up! Follow up!
Follow up! Follow up! Follow up!
'Till the field ring again and again,
With the tramp of the twenty-two men:
Follow up! Follow up!

O the great days, in the distance enchanted,
Days of fresh air, in the rain and the sun,
How we rejoiced as we struggled and panted
Hardly believable, forty years on!
How we discoursed of them, one with another,
Auguring triumph, or balancing fate,
Loved the ally with the heart of a brother,
Hated the foe with a playing at hate!

Follow up! etc.

Forty years on, growing older and older,
Shorter in wind, as in memory long;
Feeble of foot, and rheumatic of shoulder,
What will it help you that once you were strong?
God give us bases to guard or beleaguer,
Games to play out, whether earnest or fun;
Fights for the fearless, and goals for the eager,
Twenty, and Thirty, and Forty years on!

Follow up! tc.
